*A new case manager system was implemented in 2010, which merged data into a centralized website. Various data reporting problems were identified, which resulted in partial year data reported for 2010. Data reporting problems were resolved and full year data is reported for 2011. Insufficient data reported in 2017 and 2018 due to data collection issues.

The Office of Community Corrections works with local units of government and criminal justice professionals to implement P.A. 511, Michigan’s Community Corrections Act. The purpose of the act is to increase the range and utilization of community sanctions and services for non-violent offenders in order to reduce admissions to prison.
