How We Lead

Our Connectivity

- Fixed Internet & AT&T Fiber
- Wireless & 5G
- FirstNet - Emergency Response

Our Communities

- Bridging the digital divide
- Giving to improve lives
- Sustainability

Our Connectivity

Wired High-Speed Internet

We offer high-speed internet throughout our Michigan footprint, including AT&T Fiber to customers in Michigan cities

AT&T Fiber™

Wireless - 5G

Our 5G network is live for consumers and businesses across the state

5G

First Responders

We're building FirstNet, the nationwide network that enables first responders in times of crisis

FIRSTNET.
Built with AT&T

Our Communities

Bridging the Digital Divide

We committed \$2 billion to bridge the digital divide over the next 3 years

- Access from AT&T – Affordable internet for limited-income households
- Emergency Broadband Benefit
- Digital literacy & adoption support

Giving to Improve Lives

In Michigan, AT&T and the AT&T Foundation contributed \$2.6 million (2018-2020) to support nonprofit organizations improving lives in our communities

Impacting Communities

At AT&T, we strive to promote strong values and support the communities where we live and work

- Our Values
- Social responsibility
- Diversity, Equality & Inclusion

Broadband Expansion Act of Michigan (BEAM)

- Passed and signed into law in 2020.
- Provides a workable and effective framework for distributing state and federal funds in the form of Connecting Michigan Communities (CMIC) grants to expand access to broadband services.
- Ensures that any state funding for broadband is directed to unserved areas.

Federal Funding Opportunities
