Opioid Recovery and Healing Through Housing

Transforming Communities. Transforming Lives.

Andy's Place

- Provides safe, quality housing along with supportive services in a supervised environment for 39 individuals and a separate building with 11 two-bedroom apartments for families.
- All residents are referred by the Michigan Drug Treatment Courts, which also provides regular oversight.
- **Nationally Recognized:** Andy's Place has received national industry awards recognizing its innovative housing and supportive services model:
  - 2021 Charles L. Edson Tax Credit Excellence Award
  - 2021 *Affordable Housing Finance* Readers' Choice Award

Andy's Place

- Research has shown that a key component of successful recovery is restoring families and keeping them together in a safe environment

- Andy's Place also provides a separate building with 11 two-bedroom apartments to house families.

Andy's Place II

- The second phase will open in about a month and provide an additional 26 apartments for pregnant women and families with infant children to recover in a safe environment.
