

**FISCAL YEAR 2006-07  
HIGHER EDUCATION  
APPROPRIATIONS REPORT**

**A REPORT OF THE  
SENATE AND HOUSE APPROPRIATIONS  
SUBCOMMITTEES ON HIGHER EDUCATION**

**Prepared by:**

**Ellen Jeffries, Senate Fiscal Agency  
Kyle I. Jen, House Fiscal Agency**

**OCTOBER 2006**

# **APPROPRIATIONS SUBCOMMITTEES ON HIGHER EDUCATION**

## **SENATE SUBCOMMITTEE MEMBERS**

Senator Mike Goschka, Chair  
Senator Shirley Johnson, Vice Chair  
Senator Bill Hardiman  
Senator Deborah Cherry  
Senator Mike Prusi

## **HOUSE SUBCOMMITTEE MEMBERS**

Representative John Stewart, Chair  
Representative Bill Caul, Vice Chair  
Representative Jerry Kooiman  
Representative Glenn Steil, Jr.  
Representative Goeff Hansen  
Representative Chris Kolb  
Representative Rich Brown  
Representative Michael Murphy

## ACKNOWLEDGMENTS

---

This report was prepared pursuant to Section 212(3) of Public Act 340 of 2006, the Higher Education appropriations act for fiscal year 2006-07.

Section 212(3) of Public Act 340 states:

*"A detailed description of procedures utilized to arrive at the amounts appropriated in part 1 shall be submitted to each institution by the senate and house fiscal agencies."*

This report was written by Ellen Jeffries, Deputy Director of the Senate Fiscal Agency, and Kyle I. Jen, Senior Fiscal Analyst of the House Fiscal Agency. Karen Hendrick, Executive Secretary of the Senate Fiscal Agency prepared the report for publication.

## A. UNIVERSITY OPERATIONS FUNDING

The Governor recommended across-the-board increases of 2.0% for Michigan State, University of Michigan-Ann Arbor, and Wayne State, and 1.0% for the other 12 universities. For these other 12 universities, the Governor allocated another 1.0% based on tuition revenue, financial aid expenditures, Pell Grant awards, and degree completions.

The Senate provided an inflation increase of 1.8% for all 15 universities, established a \$3,750 per student funding floor, and added funds to bring eight of the universities up to the amounts they had received in the Governor's budget.

The House used its funding model comprised of enrollment, degree completions, and research components, with a 4.0% limit on funding increases and a 2.0% limit on funding decreases. The House also added funds for Indian Tuition Waivers, the Public School Employees Retirement System, and Northern Michigan University's Superior Dome.

Fiscal year (FY) 2006-07 enacted appropriations are displayed in Table 1; Tables 2, 3, and 4 outline the recommendations of the Governor, Senate, and House, respectively.

The FY 2006-07 enacted appropriations for University Operations include the following items:

### 1. House Funding Model

The FY 2006-07 enacted Higher Education budget includes \$32.6 million for University Operations distributed through the funding model developed by the House. The funding model includes components based on enrollment, degree completions, and Federal research funding. The model reflects updated data in each component from the FY 2005-06 version of the model. Figure 1 is a flowchart that illustrates the FY 2006-07 version of the funding model; a more detailed technical explanation is available at <http://www.house.mi.gov/hfa>. A significant change from the FY 2005-06 model is a higher weighting for math degrees and education degrees in math-, science-, technical-, and special education-related subareas. Consistent with FY 2005-06 intent language, the amount of research funds effectively matched for the University of Michigan-Ann Arbor (which was capped in FY 2005-06) is increased by the overall percentage increase in the university's research funding. Funding increases under the model are limited to 2.9%; universities showing funding reductions under the model are held harmless.

### 2. Per-Student Floor Funding

After applying the funding model adjustments, a funding floor for all 15 public universities of \$3,775 per fiscal-year-equated student (FYES) is established. Only three universities were below the \$3,775 minimum per student: Grand Valley State University, Oakland University, and Saginaw Valley State University. Oakland and Saginaw Valley receive \$67,800 and \$577,200, respectively, to bring them up to the \$3,775 per-student level, based on 2004-05 FYES. Due to limited resources, Grand Valley receives \$1.9 million, which brings it up to only \$3,340 in per-student funding. An additional \$8.4 million would have been required to fund Grand Valley at \$3,775 per FYES. Table 5 shows the FY 2006-07 appropriation per FYES calculations.

### **3. Pell Grant Funding**

Three universities did not receive funding under either the model or the floor policies; those universities are allotted \$450 for each FY 2004-05 Federal Pell Grant awarded at their institutions. A total of \$4.8 million is appropriated for Lake Superior State University (\$422,100), Northern Michigan University (\$1,347,800), and Wayne State University (\$3,035,300).

### **4. Other Adjustments**

In order to provide an increase over FY 2005-06 of at least 2.5% for each of the 15 public universities, a total of \$2.6 million is divided between Michigan Technological University (\$264,800) and Wayne State University (\$2,331,400). An additional amount of \$676,700 is distributed among Michigan State University (\$227,000), Oakland University (\$185,600), University of Michigan-Ann Arbor (\$253,100), and University of Michigan-Flint (\$11,000). All of the FY 2006-07 adjustments for University Operations are displayed in Table 1.

## **B. TUITION RESTRAINT**

The FY 2006-07 budget continues the tuition restraint policy implemented in FY 2005-06: If a Michigan public university increases its resident undergraduate tuition and required fees from academic year 2005-06 to 2006-07, then it also must increase its General Fund student financial aid expenditures by at least the same percentage. This policy is conveyed as legislative intent in boilerplate Sec. 436. Table 6 compares FY 2006-07 resident undergraduate tuition and required fee rates to those of FY 2005-06.

## **C. MARTIN LUTHER KING, JR.-CESAR CHAVEZ-ROSA PARKS PROGRAMS**

There are no policy changes for FY 2006-07, but boilerplate language sections 501, 502, and 505 of the enacted budget direct each university to "apply the percentage change applicable to every university" to the amount of funds allocated for the College Day, Future Faculty, and Visiting Professor Programs. Since a minimum increase of 2.5% was applied to every university (see item A4 above), an increase of 2.5% is also applied to these three King-Chavez-Parks Programs. Tables 7A and 7B provide details on the funding amounts for all six of the King-Chavez-Parks Programs.

## **D. INDIAN TUITION WAIVERS**

Funding for Indian Tuition Waivers continues as a part of the base appropriation for each university. Table 8 lists the amounts that were added to the base in FY 1996-97.

## **E. AGRICULTURAL EXPERIMENT STATION (AES) AND COOPERATIVE EXTENSION SERVICE (CES)**

The Governor had recommended no changes for the AES and CES line-items. The House and Senate agreed to an increase of 2.0% for each: \$663,300 for AES and \$572,100 for CES. The House also added \$300,000 designated for CES 4-H programs, but this funding was not included in the final budget. Total FY 2006-07 funding for AES and CES is \$33.8 million and \$29.2 million, respectively.

## **F. STATE COMPETITIVE SCHOLARSHIPS**

Federal funds for State Competitive Scholarships, which are need-based grants for students who perform well on the American College Test (ACT), are reduced by \$500,000, as recommended by the Governor. The Governor also replaced an FY 2005-06 funding source of \$3.0 million from Michigan Higher Education Assistance Authority (MHEAA) operating revenue with State GF/GP revenue, but the FY 2006-07 enacted budget retains the \$3.0 million MHEAA fund source. Total FY 2006-07 funding is \$34.1 million, of which \$3.0 million is MHEAA revenue, \$1.5 million is Federal revenue, and the balance State GF/GP revenue.

## **G. MICHIGAN TUITION GRANTS**

For the fourth year in a row, the Governor recommended elimination of Michigan Tuition Grants, which are need-based awards for students attending Michigan independent colleges and universities, and the Legislature did not concur. As a result of FY 2006-07 budget negotiations, the \$58.8 million program is retained, financed from \$2.9 million in Tuition Grant funds carried forward from FY 2005-06 and \$55.9 million in State GF/GP revenue. In FY 2005-06, carry-forward funds of \$4.0 million had been available.

The intent is that the \$58.8 million appropriation will allow a grant maximum of at least \$2,000 per student. At the August 3, 2006 MHEAA meeting, a \$2,100 grant maximum was set, with the intent to increase the maximum award or the number of awards later in the year if there are sufficient funds.

## **H. NURSING SCHOLARSHIP PROGRAM**

An additional \$250,000 in Merit Award Trust Fund revenue is added to the \$4.0 million Nursing Scholarship Program in order to allow master's degree programs in nursing to be funded.

## **I. MICHIGAN MERIT AWARD PROGRAM**

Fiscal year 2006-07 expenditures for Merit Awards are projected to increase by \$1.3 million to a total of \$127.7 million. Michigan Merit Award Scholarships are \$2,500 awards for students who pass the reading, writing, math, and science components of the MEAP in high school; these students can receive an additional \$250-\$500 if they also scored well on the middle school MEAP test. Merit Awards are generally paid over a two-year period directly to the postsecondary institution where the eligible student is enrolled. The FY 2006-07 appropriation pays for the second installment for the high school graduating class of 2005 and the first installment for the high school graduating class of 2006.

## **J. TUITION INCENTIVE PROGRAM (TIP)**

Due to an increase in TIP students attending college, an additional \$2.0 million is required for FY 2006-07. The Program provides an incentive to Medicaid-eligible middle school and high school students by promising to pay for their college tuition if they graduate from high school. It pays for two years of associate-level studies and up to an additional \$2,000 for study at a four-year institution. The FY 2006-07 TIP appropriation is \$14.0 million, financed from \$6.35 million in Merit Award Trust Fund revenue and \$7.65 million in State GF/GP revenue.

#### **K. NEW PROGRAM: MICHIGAN LEADERSHIP, EDUCATION, AND DEVELOPMENT INITIATIVE**

The enacted budget includes a new \$5.0 million Michigan Leadership, Education, and Development (MiLEAD) Initiative proposed by the Governor. The MiLEAD Initiative calls for one-year academic and conservation-based work training programs for at-risk individuals between the ages 18 and 25. The Michigan Department of Natural Resources (DNR) will administer MiLEAD and will partner with Michigan public and independent colleges and universities in order to provide an academic curriculum, a residential experience, and the completion of conservation work projects. Amendments to the Michigan Civilian Conservation Corps Act (Public Act 22 of 1984) will be necessary in order to include participation from postsecondary institutions and to fund MiLEAD from the corpus of the Michigan Civilian Conservation Corps Endowment Fund, as has been proposed.

#### **L. PROGRAM TRANSFER: CHILDREN OF MICHIGAN VETERANS TUITION GRANT PROGRAM**

Public Act 248 of 2005 established a new Children of Veterans Tuition Grant Program to replace a tuition grant program that had been created by Public Act 245 of 1935, which was repealed. The new Program is administered by the Michigan Department of Treasury's Higher Education Assistance Authority (MHEAA) and funding for the tuition grants is included in the Higher Education appropriation act instead of in the Michigan Department of Military and Veterans Affairs appropriation act where it had previously resided. The primary fund source for the new Program is revenue from a Michigan income tax check-off; this new revenue stream replaces funding from the Michigan Veterans Trust Fund. In FY 2005-06, \$500,000 in State GF/GP revenue was appropriated for the Program in the Higher Education budget and \$500,000 was appropriated in the Department of Military and Veterans Affairs budget, for a total of \$1.0 million. In FY 2006-07, \$1.0 million is appropriated in the Higher Education budget and the funding is from the contributions to the Program collected under the new income tax check-off.

#### **M. BOILERPLATE ISSUES**

- 1. Tuition Grant Program.** The Senate retained the \$2,000 grant minimum and a July 1, 2006, application deadline; the House increased the grant minimum to \$2,400 and used application deadlines of July 1, 2006, and June 1, 2007. The enacted budget includes a \$2,000 grant minimum and a July 1, 2006, application deadline. (Sec. 302)
- 2. Tuition Incentive Program (TIP).** The Governor and the House added filing a Free Application for Federal Student Assistance (FAFSA) as a criterion for Phase I eligibility and achievement of junior-level status at a four-year institution as a criterion for Phase II. The House also directed that Federal aid be deducted from any TIP payment. The Senate and the enacted budget included only one change in the TIP language, a requirement for students to request FAFSA information. (Sec. 310(3))
- 3. Nursing Scholarship Program.** The Senate and the enacted budget added master's degrees in nursing as eligible for the Program. Senate Bill 1371, which passed the Senate on September 14, 2006, and the House on September 20, 2006, amended the Nursing Scholarship Act to add a master's degree in nursing to the definition of "nursing program" and to expand the definition of "eligible employment" to include teaching in a nursing program. (Sec. 312)
- 4. MiLEAD.** The enacted budget added parameters for this new initiative including its designation as a work project (see item K above). (Sec. 313)

5. **Children of Michigan Veterans Tuition Grants.** The House and the enacted budget added a report requirement for this program (see item L above). (Sec. 314)
6. **Higher Education Institutional Data Inventory (HEIDI).** The enacted budget revised requirements regarding the HEIDI database to comply with the new statute (Public Act 95 of 2006) that officially established HEIDI in law. (Sec. 405)
7. **State University Funding Model.** The House and the enacted budget outlined the parameters for the model that is described in item A1 above. (Sec. 418)
8. **Lists of Required Textbooks.** The Governor deleted the legislative intent for private bookstores to have timely access to required textbook lists, but the House, Senate, and enacted budget retained the language; the House and the enacted budget also allowed university-administered accounts to be used by private bookstores. (Sec. 426)
9. **Michigan Public School Employees Retirement System (MPSERS).** The Governor, Senate, and enacted budget deleted the reference to stabilization subaccount funds that are no longer available. The House had added a MPSERS subsidy of \$1.7 million. (Sec. 437)
10. **Per-Student Floor Funding.** The Senate included per-student floor funding of \$3,750 based on FY 2004-05 fiscal-year-equated students; neither the Governor nor the House included this funding. The enacted budget adjusted the per-student funding amount to \$3,775 and indicated that Grand Valley did not reach the floor funding amount due to limited State resources. (Sec. 450)
11. **New Academic Programs.** The enacted budget included the new programs that were recommended by the Presidents Council for academic year 2006-07. (Sec. 701a)
12. **Teaching Degrees.** The House, Senate, and enacted budget added requirements for public universities to report on the number of education degrees conferred for teaching in certain disciplines, and to provide the college of education students with the most current listing of critical shortage disciplines. (Sec. 711)
13. **Research and Technology Transfer.** The House, Senate, and enacted budget added requirements for public universities to report on various research and technology transfer activities. (Sec. 712)

#### N. CAPITAL OUTLAY

For information purposes, [Table 9](#) lists the Capital Outlay projects for Michigan's public universities that have been authorized since 1992.

**Note:** FY 2006-07 instructions require reporting based on four class levels to account for new tuition/fee structures at various universities; rates exclude course fees and other fees not paid by a majority of students in a given class level and refundable student fees. FY 2005-06 rates are recalculated based on new HEIDI reporting instructions for FY 2006-07 so that increases are based on comparable amounts.

**Source:** Higher Education Institutional Data Inventory (HEIDI) and fiscal agency calculations.

**Table 7A: MARTIN LUTHER KING, JR.-CESAR CHAVEZ-ROSA PARKS INITIATIVE**

<b>In FY 2006-07, there are six King-Chavez-Parks Programs:</b>		<u>FY 2006-07</u>	
College Day - students in grades 6-11 visit campuses.....		\$1,167,997	Appropriated to each university's Operations line-item
Future Faculty Fellowships - stipends for minority graduate students pursuing teaching careers.....		1,183,073	
Visiting Professors - payments for visiting minority professors who lecture on campuses .....		<u>165,585</u>	
Subtotal .....		\$2,516,655	
Select Student Support Services - grants for minority student retention projects .....		\$1,956,100	Appropriated in a separate unit as grants
College/University Partnership - grants to increase number of minority transfer students .....		586,800	
Educator Development - to increase minority completion of K-12 teacher education.....		<u>148,600</u>	
Subtotal .....		\$2,691,500	
<b>FY 2006-07 Total.....</b>		<b><u>\$5,208,155</u></b>

# **PROGRAM REVISION REQUESTS**

---

**UNIVERSITY BUDGET/PROGRAM REVISION REQUESTS  
FY 2006-07**

<u>University/Request</u>	<u>Amount Requested</u>
<b>Central Michigan University</b>	
Per-student funding support of \$4,751 (average per-student support for 12 nonmajor research universities plus a 6.0% increase).....	\$21,200,000
<b>Eastern Michigan University</b>	
Higher education Consumer Price Index (CPI) increase of 3.0% .....	\$2,284,218
<b>Ferris State University</b>	
1. Distribution of funding through House funding model with 3.0% to 4.0% increase for inflation .....	No dollar amount
2. Expansion of workforce development/training efforts.....	\$440,000
3. Unfunded MPERS liabilities .....	400,000-700,000
4. Continuation of Tuition Incentive Program .....	NA
Total .....	All amounts not specified
<b>Grand Valley State University</b>	
Per-student funding support of \$3,824 (minimum FY 2005-06 per-student amount at comparable campuses plus 3.0% for inflation).....	\$15,178,020
<b>Lake Superior State University</b>	
1. Increase of 5.0% based on various revenue/expenditure projections.....	\$630,510
2. Small university supplement for diseconomies of scale (10.0% of total appropriation) .....	1,324,070
Total .....	\$1,954,580
<b>Michigan State University</b>	
Consider total number of students, proportion who are Michigan residents, graduation outcomes, mix of disciplines relative to academic/economic objectives, and external research funding; possible two-tier system.....	No dollar amount
<b>Michigan Technological University</b>	
1. Salary increase of 4.0% for faculty/staff .....	\$2,721,300
2. MPERS past service liability assessment for FY 2005-06 .....	2,902,200
3. Institute of Integrated Nanoscience and Engineering.....	2,500,000
4. Biotechnology initiative .....	5,000,000
5. Institute for K-12 Science, Mathematics, Engineering and Technology Education.....	2,000,000
Total .....	\$15,123,500

**UNIVERSITY BUDGET/PROGRAM REVISION REQUESTS  
FY 2006-07**

<u>University/Request</u>	<u>Amount Requested</u>
<b>Northern Michigan University</b>	
1. Compensation and support costs .....	\$3,100,000
2. Utilities .....	1,000,000
3. Financial aid/scholarships.....	250,000
4. Health insurance .....	300,000
5. MPSERS contributions .....	600,000
6. Indian Tuition Waivers .....	250,000
7. Tuition revenue based on enrollment increase.....	(1,600,000)
Total .....	<u>\$3,900,000</u>
<b>Oakland University</b>	
1. Per-student funding floor of \$4,000 .....	\$4,646,300
2. Program request: distinctive undergraduate education and undergraduate research opportunities .....	2,200,000
Total .....	<u>\$6,846,300</u>
<b>Saginaw Valley State University</b>	
Establish a minimum per-in-state-student level of state support for each university .....	No dollar amount
<b>University of Michigan-Ann Arbor</b>	
Make progress toward restoring appropriation to FY 2001-02 level .....	No dollar amount
<b>University of Michigan-Dearborn</b>	
1. New faculty positions .....	\$550,000
2. Institute for Local Government.....	100,000
3. Early childhood and K-12 teacher programs .....	150,000
4. Research and information technology infrastructure .....	200,000
Total .....	<u>\$1,000,000</u>
<b>University of Michigan-Flint</b>	
1. Partial restoration of faculty posts and staff positions .....	No dollar amount
2. Expand informational and instructional technology and learning .....	\$1,237,500
3. College of Arts and Sciences.....	840,000
4. School of Education and Human Services .....	460,000
5. School of Health Professions and Studies .....	392,000
6. School of Management.....	330,000
7. Enhance community outreach efforts .....	200,000
Total .....	<u>\$3,459,500</u>

**UNIVERSITY BUDGET/PROGRAM REVISION REQUESTS  
FY 2006-07**

<u>University/Request</u>	<u>Amount Requested</u>
<b>Wayne State University</b> Absence of State funding increase will require further budget reductions and tuition increases .....	No dollar amount
<b>Western Michigan University</b> Continuing level of support to students will require 8.2% increase in total operating budget due to structural cost pressures .....	No dollar amount
