EMPOWERING TOMORROW

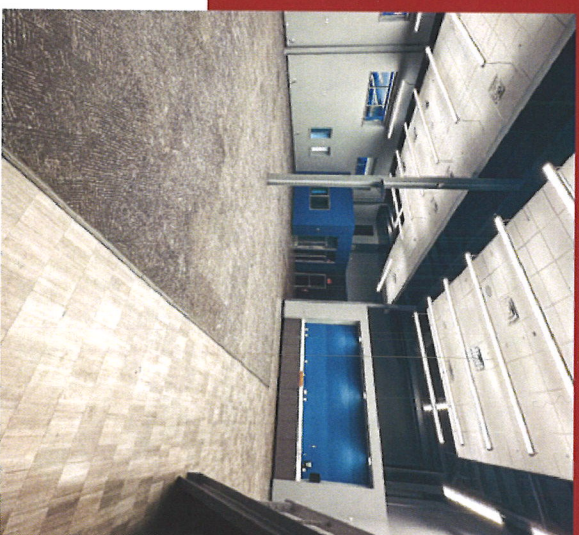

DREAM BIG,
BUILD BIGGER

SHOP RAT X JAMA
FOUNDATION
SERVING SOUTH CENTRAL MICHIGAN SINCE 1931

In the heart of Jackson, Michigan's bustling manufacturing sector, a critical need emerges — a need for skilled workers to fuel innovation, drive growth, and secure our community's future. Our collaborative advanced manufacturing training center, proposed by JAMA and Shop Rat Foundation, stands as a beacon of hope in addressing this urgent demand.

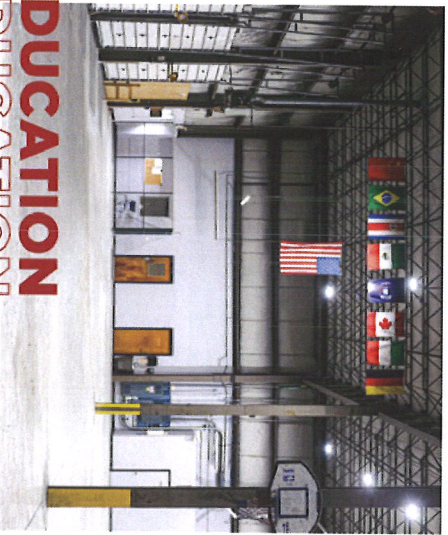

COMMUNITY

Collaborative, capacity-building resource for the community that will enhance opportunities available through Shop Rat Foundation and JAMA, as well as complement those of our community partners, such as the Jackson Area Career Center

Focused on Advanced Manufacturing Education and meeting the current and future needs of our local manufacturing community

EDUCATION
EDUCATION
EDUCATION

We envision a community where every individual has the chance to thrive, where innovation knows no bounds, and where success is not a dream but a reality. Together, let us sculpt a landscape of possibility and promise for generations to come.
