

MEMORANDUM

DATE: May 16, 2025
TO: Members of the Michigan House of Representatives
FROM: Mary Ann Cleary, Director *MAC*
RE: Consensus Revenue Agreement – May 16, 2025

Pursuant to the Management and Budget Act Sections 367(a) through 367(f), the Consensus Revenue Estimating Conference establishes an official economic forecast of major variables of the national and state economies and establishes a forecast of anticipated state General Fund/General Purpose (GF/GP) and School Aid Fund (SAF) revenue.

The conference principals at the May 2025 meeting were the Director of the House Fiscal Agency, the Director of the Senate Fiscal Agency, and the State Treasurer. The State Treasurer is the 2025 Conference Chairperson.

The attached tables provide a summation of the agreements reached at the May 2025 conference. These consensus estimates will be reviewed and updated at the January 2026 conference.

Table 1: Consensus Economic Forecast

Provides estimates of various state and national economic variables. Real gross domestic product (GDP) is projected to increase 1.1% in calendar year (CY) 2025, 1.2% in CY 2026, and 1.9% in CY 2027. Michigan personal income is forecast to increase 3.6% in CY 2025, 3.6% in CY 2026, and 3.7% in CY 2027.

Table 2: Consensus Estimates of GF/GP and SAF

Provides revised revenue estimates for FY 2024-25 through FY 2026-27. Relative to FY 2023-24, net GF/GP and SAF revenue is estimated to increase \$437.5 million or 1.3% in FY 2024-25, increase \$1,009.8 million or 3.1% in FY 2025-26, and increase \$693.5 million or 2.0% in FY 2026-27.

Table 3: Consensus Estimate—Budget and Economic Stabilization Fund (BSF) Calculation

There are no pay-ins or pay-outs suggested for FY 2024-25. There is a calculated pay-out up to \$538.5 million for FY 2025-26. There are no pay-ins or pay-outs suggested for FY 2026-27. It should be noted that the deposits to and withdrawals from the BSF are not automatic, and that they require an appropriation. Pay-ins and pay-outs from the BSF are based on growth in real adjusted personal income (Management and Budget Act, 1984 PA 431, Section 352).

Table 4: Consensus Estimate—Constitutional Revenue Limit Calculation

Reports calculations of the amounts that revenues exceed or fall below the constitutional state revenue limit established in Article IX, Section 26 of the Constitution of the State of Michigan. Total state revenue subject to the limit is estimated to be \$9.71 billion below the limit in FY 2023-24, \$13.15 billion below in FY 2024-25, \$14.64 billion below in FY 2025-26, and \$16.08 billion below the limit in FY 2026-27.

Table 5: Long Term Revenue Trend

The long term revenue trend for combined GF/GP and SAF revenue is 3.3% growth for FY 2027-28 and 2.9% growth for FY 2028-29.

Table 6 and Table 7: Consensus Estimate—School Aid Revenue Adjustment Factor and Pupil Membership Adjustment Factor

Reports consensus estimates of revenue adjustment factor and pupil membership for FY 2025-26 and FY 2026-27. The revenue adjustment factor is multiplied by the pupil membership adjustment factor to determine the index, the statutorily recommended increase or decrease in the per pupil foundation allowance. The School Aid Index for FY 2025-26 is 1.0296 and FY 2026-27 is 1.0286. The index would equal a 3.0% increase in the foundation allowance in FY 2025-26 and 2.9% increase in FY 2026-27.

Table 8: Consensus Estimate—Child Development and Care (CDC) Caseload and Costs

Reports consensus estimates of CDC caseload costs for FY 2024-25 and FY 2025-26. The annual CDC cost is estimated at \$511.3 million for FY 2024-25 and \$543.3 million for FY 2025-26.

Table 9: Consensus Estimate— Medicaid Expenditures and Human Services

Reviews consensus Gross and GF/GP expenditure estimates for Medicaid and Human Services caseload programs. Medicaid GF/GP expenditures are estimated to increase \$212.5 million in FY 2024-25 and decrease \$9.4 million in both FY 2025-26 and FY 2026-27. Human Services caseload program GF/GP expenditures are estimated to increase \$21.6 million in FY 2024-25 and decrease \$4.8 million in both FY 2025-26 and FY 2026-27.

Income Tax Rate Under MCL 206.51(1)

In accordance with Section 51(1)(c) of the Income Tax Act, it has been determined that a formulary reduction to the rate for tax year 2025 is not required.

If you have any questions regarding this information, please do not hesitate to call.
