750

houses of worship

Resulting in:

18,900,000+

people prepared across all 50 states

Millions

of tips submitted most commonly reporting suicide threats, bullying/cyberbullying and drugs

2,100,000+

K12 students recorded with one-click accountability

“Navigate360's Emergency Management Suite simplifies the administrative process while taking into consideration all the complexities of emergency planning.”

Joe McKenna
Director of Safety & Security,
Comal Independent School District

“Anonymous tip reporting technology is a crucial component of Crime Stoppers USA. Our collaboration with Navigate360 [P3] yields a highly secure, yet user-friendly system for all our constituents.”

Barb Bergin
Chairman of the Board
Crime Stoppers USA

Our holistic safety & wellness solutions combine hundreds of years of collective experience in behavioral threat assessment, social-emotional learning, mental health awareness, and school safety operations.
