Notes:

- 1) Throughout the document, you will see, "Includes funding to cover a net increase in costs for economic adjustments." Economic adjustments include an increase for negotiated salaries and wages (3.0% on October 1, 2025), increase for overtime, increase for longevity, increase for insurances, increase for fuel and
- 2) In the Departmental Administration and Support, Correctional Facilities Administration, and Correctional Facilities appropriation units, you will see, "Includes funding to support costs of restructuring the pay scale for corrections officers." Under the collective bargaining agreement, effective October 1, 2024, all pay steps received a 5% base-pay increase and the first two steps of the pay schedule were eliminated. This results in corrections
- 3) In the Field Operations Administration, Correctional Facilities Administration, and Correctional Facilities appropriation units, you will see, "Includes funding to support costs of adding a new top pay step at the end of 54 months of service for corrections officers and increasing hourly pay rates for shift supervisors." The new step provides a \$1.30 per hour increase over the old top step at 42 months for corrections officers, and an hourly increase of \$1.30 was approved for each pay step for shift supervisors. These pay increases were approved by the Civil Service Commission in December 2024 to become effective October 1, 2025.
