<p>(3) The Michigan public service commission shall develop guidelines for the grant program described in subsection (1) and implement an application process for the grant program not later than 6 months after the effective date of this act and must first prioritize and approve grants that meet the goals of the governor's MI healthy climate plan.</p>	<p>Strikes current law.</p>		<p>Strikes current law.</p>	
<p>(4) Applicants for a grant under this section must perform an impact study that includes an analysis of potential cost savings, environmental impacts, and local economic benefits of the applicant's proposed renewable energy and electrification infrastructure project. A utility, at its sole discretion, may prepare a single impact study that covers the utility's service territory that accounts for likely proposals, evaluates regional opportunities, and minimizes or eliminates the need for repetitive studies. Sufficient detail must be provided in the study to allow the Michigan public service commission to evaluate each proposed project, including how the proposed project will align with the governor's MI healthy climate plan.</p>	<p>Strikes current law.</p>		<p>Strikes current law.</p>
