**Subject:** HB 5166 - 5168 opposition

As a resident of Michigan, I oppose HB 5166 - 5168 regarding net pen fishing on the Great Lakes. I oppose net pen fishing on the Great Lakes. As a sailor on Lake Michigan and a kayaker and fisherman on various rivers, including The Pere Marquette and the Au Sable, I value our natural resources, including our clean water.

Sir:

As a user of the Great Lakes and an avid sports fisherman I am opposed to HB5166 - 5168  
It seems the unknown possibilities can damage our lakes, rivers and stream.  
I guess the bigger question is what is the upside?

Thank you
