**Dear** Honorable Legislators on the Education Reform Committee,

I am in full support of these bills. I was at the hearing this week and I was concerned that the discussion wavered from focus on the bills to a discussion about vaccine effectiveness.

The purpose of these bills is to recind a rule passed in 2015 that conflicts with current law.

Please vote to pass these bills.

These are not bills to debate vaccines.

Thank you,

Tami Schroeder
