WE SUPPORT RAISE THE AGE!

Prosecuting youth as adults is harmful to kids, families and communities.

The long-term benefits of serving kids in the juvenile justice system far outweigh the short-term costs.

Michigan should raise the age of juvenile jurisdiction from 17 to 18 years of age NOW. It's smart on crime and the right thing to do!

As people of faith and residents of Michigan, we support doing the right thing for our children.
