MSA Areas of Concern

House Bill 4558:

- Concerns with section 610B – (1) – will this preclude the existing practice of covering table tops or bar tops / fronts with advertising like Jack Daniel's and others currently do legally in state of MI?
- Also, need to clarify the language to include equal measures of Spirits to Beer / Wine in (2) – should insert after “up to 25 cases”, “25 standard sized cases of Beer, Wine or Spirits, such as 25 cases of 24 – 12 ounce containers of beer, or 25 cases of 12 – 750ml bottles of spirits, or 25 cases of 6 – 1.5 L bottles of wine, or the equivalent in other sized containers.”
