To: Michigan State Legislature,

My name is Calvin Murphy of Bear Lake, MI. I am a veteran who served from Nov. 1965 till Oct. 1967. I did serve in Vietnam 1966-1967. I am 100% disable veteran service connected.

I am writing to give my support to legislation introduced by Rep. Curt Vanderwall to allow the spouse of disable veterans who have passed away to keep the license plate that the disable veteran had issued by the State of Michigan. I support this because the veteran was given this license plate because he had 100% SERVICE CONNECTED disability. This disability was acquired during his/her service to our country. By letting the spouse keep the license plate would continue the memory the veteran. It would also show how appreciative the State of Michigan and a great full nation is to the service of that veteran. The spouse will "NOT" get any special benefits like the veteran did, she/him would just get to keep the plate. This

gesture would show how much Michigan is trying in improving their State Veterans Affairs.

Again as a 100% disable Combat veteran I support Rep. Curt Vanderwall's introduction of this legislation for spouses to keep disable veterans license plate and also want to "THANK" Rep. Vanderwall for the compassion that he shown has for the veterans and the legislation he will introduce in the future.

MAY GOD BLESS AMERICA AND GOD BLESS THE VETERANS OF  
THE PAST, PRESENT, AND THE FUTURE

Sincerely,

Calvin Murphy
